### And What Have You

By BOB CRAIG

Needless to say I was disappointed in Saturday's election. Not so much that the bond issue failed as I was in the poor voter turnout. If only 129 people were interested in Hamlin having a track then we probably didn't need one.

But unfortunately, I suspect that a lot of people who wanted the issue to pass did not take the time to vote.

The fact that our economy is in such bad shape right now was no doubt a big factor in the defeat of the issue and maybe when we as a nation solve this problem it will be possible to try this issue again.

And on the subject of the economy, I ran across the following editorial from The London Times that was reprinted in The Christian Science Monitor. It points up the fact that inflation is a world-wide problem and not just a problem that this nation faces alone.

The editorial follows:

Nobody goes to the ironmonger because he wants a loaf of bread. . . But a great many of us, troubled by inflation, turn for an answer to the politicians.

I want to suggest that it isn't their kind of problem — that the answer to it (if there is one) will have little to do with new laws and policies. . . At heart, it's a religious and moral problem: its solution (if any) will be found in the kind of shop kept by priests and preachers and prophets and moralists. At best, politicians and parliaments can mitigate the damage: they can't go to the root of the problem.

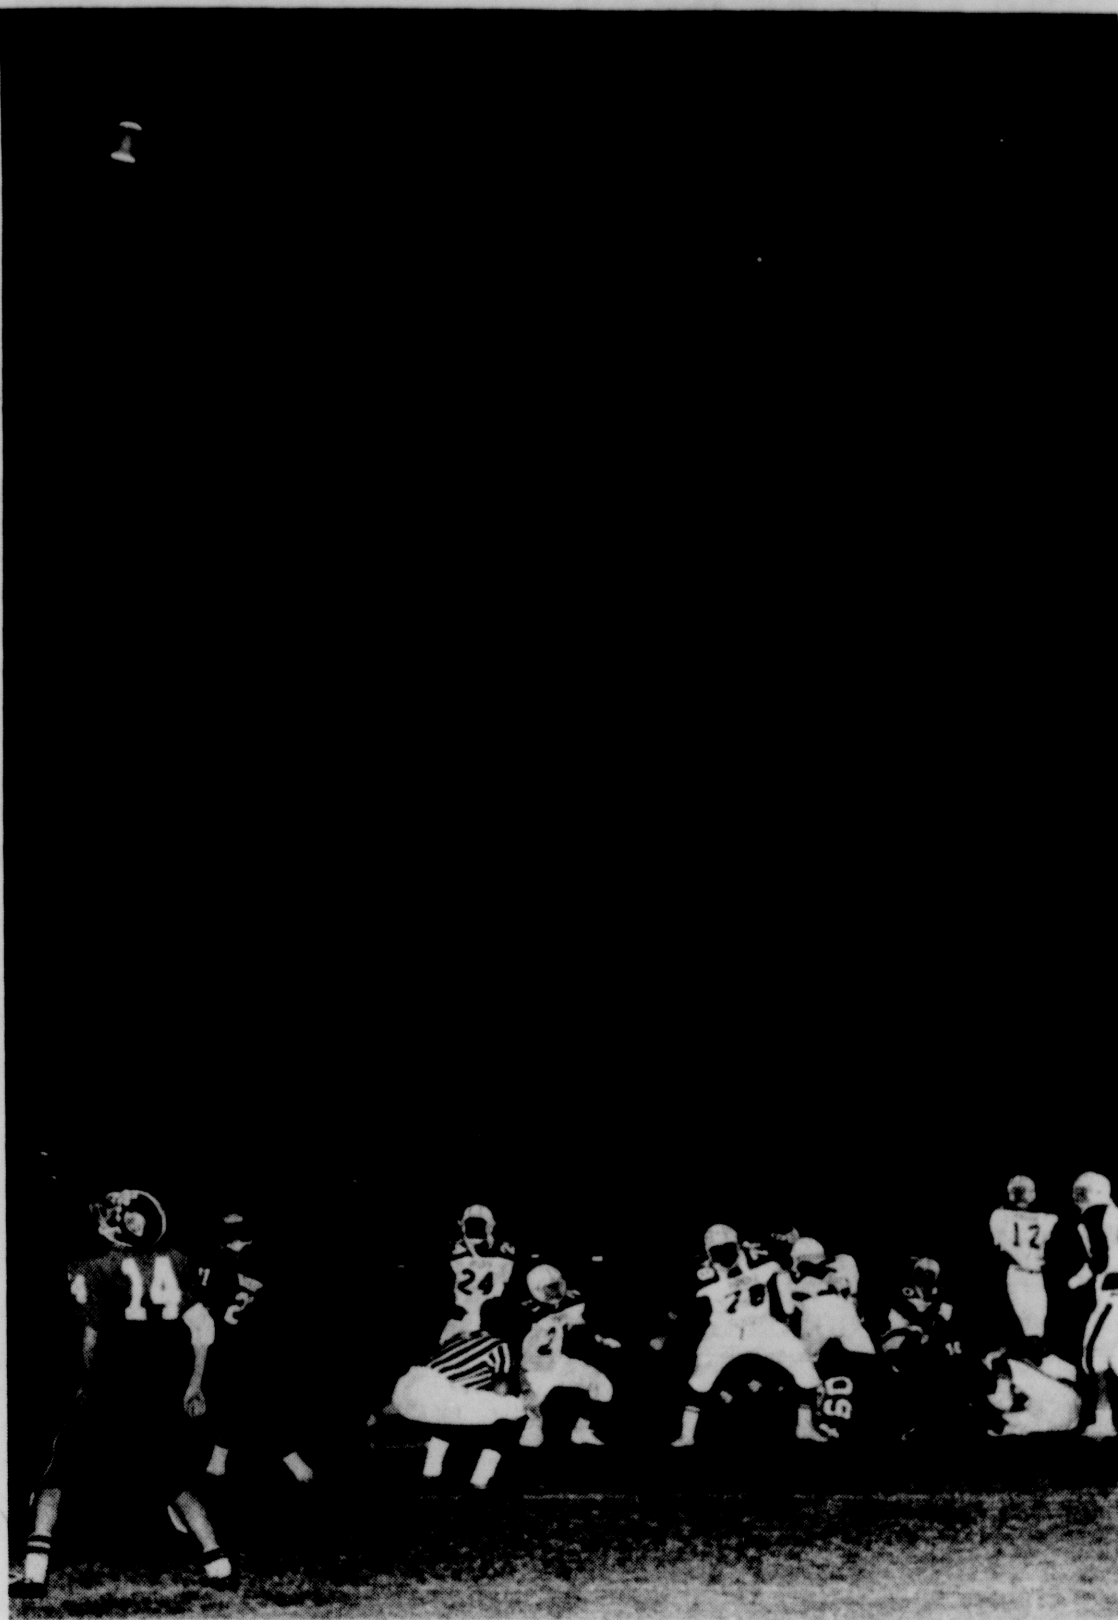

What is inflation, after all? It's an economist's word for over-consumption; for living beyond your income; for taking more out of the kitty than you put in. This has become a near-universal habit in "developed" countries: in ours more than most. The fact is that we've all got ideas above our station; we have come to take for granted a quite fanciful and unrealistic notion of the "standard of living" to which we are entitled, as though by divine right. Why shouldn't I have fillet steak for dinner every day? Why shouldn't I have a jet-holiday in Mallorca every year? Why should I work long hard hours at some dreary job, and for a low wage?

Alas, there's no "should" or "shouldn't" about it. The facts of arithmetic are what they are. The world simply can't provide all that many fillet steaks, and its reserves of jet-fuel are running low. There's no question of moral entitlement at any point. Each man is in this world naked and hungry until somebody does something about it, something which will usually be difficult and laborious. No kind of society can be kept in being unless a very large proportion of its people are prepared to work hard at monotonous tasks for a fairly small economic reward. To resent this is to resent the fact that two and two don't make fifteen.

Overlooking these realities and living as a man who inherited a thousand pounds and then proceeded to live it up at a hundred pounds a day, we have built into the structures of our society the deadly sins of pride, envy, avarice, gluttony and sloth. The outcome is what we call inflation; and to help this process along, we have conveniently forgotten two sound old principles — the principle that it is a disgrace, a moral failing, to be in debt; and the principle (long asserted by every Christian moralist) that usury is a sin.

In so far as those two principles return to power, in so far as those five deadly sins are repented the

**BIG THREE POINTS**—The Pied Pipers took an early three-point lead over the Ballinger Bearcats on this 30-yard field goal by Tracy Rowland Friday night that proved to be the big difference as the Pipers knocked off the previously unbeaten Bearcats, 10-7. The Pipers put all of their points on the scoreboard in the first quarter and then played a tough defensive game that kept the Bearcats on their own end of the field most of the night. ## STILL LONG WAY TO GO—

### Response Encouraging On Bicentennial Project

"Response to the city's Bicentennial Project has been very encouraging, but we still have a long way to go," said Mayor Joe E. Ford Tuesday. The project includes buying the old Victoria Courts and converting the area into a road side park.

The mayor said that the response from those who have given money to the

project has been good, but that only a few have contributed to the fund at this time. Ford said that as of Tuesday afternoon a total of \$477.00 has been contributed toward the \$3,000.00 goal.

The \$3,000 is needed to purchase the site of the Courts where the project would be centered. The city and the state will clean off the site and construct the park once the site has been secured, the Mayor said.

Mayor Ford said that communities across the nation are making special efforts to improve their communities during this special two-year anniversary celebration and added that he hoped that this project would only be the start in an effort to improve our community during this period.

As part of a "Beautify Our Town" effort, the Mayor said that not only would this project benefit the area residents and travelers, it would also improve the looks and safety of our south entrance to the city. The Texas Highway Department has hopes of widening the bridge and the highway leading out of the city which would improve the traffic flow, the Mayor added.

## Farabee Due

Ray Farabee, Democratic nominee for the Texas Senate, will campaign in Hamlin Saturday morning. His Hamlin coordinator is John Scarborough.

Farabee will come to Hamlin from Anson and will go on to Rotan following his work in Hamlin.

Anyone wishing to take part in the Bicentennial project may make contributions to it by contacting Joe Ford at the F and M National Bank or mail their donations to: Mrs. Joe E. Ford, Box 465, Hamlin or Mrs. John D. Ferguson Jr., Box 381, Hamlin.

## Chief Wheat Sets Rules for Halloween

With Halloween just one week away, Ed Wheat, Hamlin Chief of Police said Tuesday that he has been getting inquiries again this year about restrictions to be enforced during Halloween.

Chief Wheat said that several inquiries were about egg and water balloon throwing. He said that the same rules would be enforced this year as last year. He said that they would be allowed as long as they are not aimed toward buildings, homes and automobiles.

Destruction of property will not be tolerated, he said.

He added that it would be wise for parents to plan to take their young children "trick or treating" early in the evening before dark. Also, he suggested that parents not take their children into a strange neighborhood. "Know the people you let your children trick or treat," he cautioned.

## JV's, FROSH PLAY TONIGHT—

### Pipers Take Week Off, Lead In District Race

The Pied Pipers will take a well deserved Friday night off this week as they prepare for the Coahoma Bulldogs the following week. The Pipers, now in first place in District 6-AA, defeated the Ballinger Bearcats, 10-7, last Friday in a gruelling defensive battle. The Pipers are now 3-0 in

district play with Coahoma, 2-0-1; Ballinger, 1-1; Anson, 1-1-1; Colorado City, 1-1; and Stamford, 0-2; and Winters, 0-3.

While the Pipers were knocking off the previously unbeaten Bearcats, Coahoma was defeating Winters, 27-12, and Anson was running over Stamford, 61-6. This week Coahoma hosts Ballinger with the loser being just about eliminated from the district title race. In other 6-AA action, Anson goes to Colorado City and Winters goes to Anson.

Two games have been added to the schedule this week, according to Coach David Bonds. The local Junior Varsity will travel to Haskell tonight (Thursday) with the kickoff set for 7:30 and the Freshmen will travel to Rotan tonight and the kickoff there will also be at 7:30.

The eighth grade game scheduled for 5 p.m. here today with Sweetwater has been changed to 5:30.

Last week the Freshmen defeated Rule there on Thursday, 32-0, and the JV's defeated the Cooper B-Team, 32-12, in Abilene.

The Pied Piper Booster Club will not meet Monday evening, according to Bobby Moore, president. Coach Bonds told the Booster Club here Monday evening that he was real proud of the Pipers for their play against the

much bigger Bearcat team. He had special praise for the defensive unit for the hard hitting game they played against the Bearcats.

## Industrial Team Sets Austin Trip

The newly formed Hamlin Industrial Team will attend a one-day seminar in Austin on Monday, Nov. 4, according to Loyd Burkhart, chairman. The group will meet here next Tuesday evening to make plans for the trip.

Burkhart said that 11 or 12 members are making plans to attend the meeting to be conducted by the Texas Industrial Commission.

The purpose of the seminar is to prepare the BCD sponsored team to meet with industrial prospects and to compile the necessary information required by firms that might be interested in locating a plant in Hamlin.

The meeting in Austin will be under the direction of Homer Tucker of the state organization and will be from 9 a.m. until 4 p.m. in the Sam Houston State Office Building.

## Workshop On Playground Equipment Set

The Hamlin Future Farmers of America Chapter will hold a special meeting Monday at 7:30 p.m. in the FFA building at the high school.

Jerry Turner of Austin, Day Care and Child Development consultant, will hold a workshop on design and construction of playground equipment from scrap.

All persons interested in the workshop program are invited to attend. Instructions received by FFA members will be used in making equipment for the Hamlin Child Care Center, the local chapters' community project.

## Miss Mitchell Honored As Top Teacher

Miss Dora Mitchell, Hamlin High School teacher, was honored Monday in Sweetwater as 1974-75 Business Teacher of the Year for District XIV, Texas State Teachers Association.

Miss Mitchell's honor was announced at a luncheon of the Texas Business Education Association. She is a graduate of Abilene Christian College and has taught in the local school 30 years.

## Hamlin Ag Club to Meet

The Hamlin Ag Club will hold its monthly meeting Tuesday, Oct. 29 at the high school Ag Dept.

The program should be of interest to all cotton producers. Watt Olivo, representing the Plains Cotton Co-op of Lubbock, will be the speaker. He will discuss cotton prices and this year's marketing of cotton.

All farmers interested in getting more money for their cotton are welcome to attend.

## BCD Seek's Nominations For Citizens of the Year

The Hamlin Board of Community Development is now taking nominations for Citizens of the Year to be presented at the annual banquet to be held after the first of the year. The nominations for Man and Woman of the Year are being accepted from clubs, organizations and individuals, according to Bob Craig, president.

Deadline for submitting names to be considered for the award should be turned in by Dec. 1 at the BCD office located in the City Hall Annex.

A committee will be named by the BCD Board to select

the Man and Woman of the Year from these nominees.

Jack Willingham and Mrs. A. A. Hackley were honored by the BCD as top citizens for 1973 at the annual banquet held earlier this year.

Meeting last Friday, the BCD Board of Directors also voted to donate \$100 to the local Bicentennial Park Project and heard reports on the progress of the Industrial Foundation.

The Board also agreed to be responsible for the Bingo game and the drink concession at the City Wide Carnival to be held Saturday, Nov. 9, for the Hamlin Child Day Care Center.

**AMERICAN FARMER**—Mark Mayfield (left) National President of the Future Farmers of America presents the American Farmer Degree to Rickey Gruben of Hamlin. The American Farmer Degree is the highest degree of membership in the FFA. It was presented to 643 FFA members during the 47th National FFA Convention held in Kansas City, Missouri, October 15-18.

## Beta Theta Hosts Supper For Rushees

A Mexican supper in the home of Mrs. John D. Ferguson Jr. entertained two rushees of Beta Theta Chapter of Beta Sigma Phi Thursday evening.

Mexican ornaments provided the Mexican atmosphere and members and rushees were dressed in authentic costumes. Mrs. John Poe and Mrs. Holman Jones presented a skit depicting the purposes and scope of Beta Sigma Phi.

Rushees attending the Mexican supper were Mrs. Jimmy Hastings and Mrs. David Bonds. The rushees presented an original comical skit.

Other members attending the supper were Mmes. Rodger Bell, Jim Bonds, Randy Brown, Mike Byerly, Joe Cortez, James Crowley, Sam Mack Hodges, Freddie Hubbard, Joe Don Hymer, Johnny Jeffrey, Parker Kelley, Ken Prewit, O. H. Weaver, Pat Willoughby and Gerald Young.

A business meeting immediately followed the supper with Mrs. Parker Kelley, president, presiding.

Mrs. Ferguson presented the plans for the proposed road side park, the city project for the United States Bicentennial. Each member donated a dollar to this fund. A baked potato booth will be sponsored by the chapter at the City-Wide Carnival to aid the Day Care Center.

The next meeting will be Nov. 6 in the home of Mrs. Joe E. Ford.

**OCTOBER BIRTHDATES NOTED**—Holiday Lodge residents noting birthdays during the month of October are, Mary Arrington, left, who was born Oct. 26, 1881, W. M. Farmer, Oct. 3, 1894, and Ella Scott, Oct. 25, 1893, (not pictured).

## Mrs. Spalding Honored With Shower Here

Mrs. Ernest Spalding was honored with a pink and blue shower Thursday in the home of Mrs. W. D. Berry, 150 S. W. Ave. D. Hostesses with Mrs. Berry were Mmes. Martin Collom, Lee Flowers, Martin Jordan, M. D. Holland, Jerry McCright and Billy Don Cooper.

A lace cloth over pink and blue was used on the refreshment table. The centerpiece was a large stork and flowers arranged in a crystal container.

Guests included Mmes. Paul Spalding, Sheri Warner, Robert Allen, H. R. Gray, Johnny Ferris, Mack Hilliard, E. W. McDonald, Billy Weaver, Gerald Houghton, Doug Spalding, Julian Rangel, Bobby Stubblefield, Pat Harper and Beulah May.

## Bridge Winners

The Hamlin Duplicate Bridge Club met Tuesday evening with Cathy Parker and Jerry Crocker, both of Abilene, taking first place. Second place winners were Helen Vidrine and Pate Willingham, both of Abilene. Third place was a three way tie between Mrs. Don Hymer and Mrs. W. O. Willbanks, Mrs. Dale Lain and Preston Morrow of Rotan, and Jo Smith and Bob Preston, both of Abilene.

## Mrs. Haught Hosts B&PW Club Meeting

Mrs. Luther Haught was hostess for the Tuesday morning breakfast for members of the Hamlin Business and Professional Women's Club at her home at 7 a.m.

The breakfast was in observance of National Business Women's Week.

The next meeting will be a dinner meeting Nov. 12 in the home of Miss Viola Avants.

## Garden Club Holds Meeting

The Oct. 10 meeting of Hamlin Garden Club was held in the home of Mrs. Robert Moore. Plans for the Nov. 2 Flower Show were discussed as the program.

Mrs. Rodger Bell reported the yard of Mrs. John Ed Day as the Yard of the month for September and the yard of Mr. and Mrs. Bill Matchett for October.

Others attending were Mmes. Patterson, R. D. Moore, R. L. Goodgame Jr., S. C. Sojourner, Harold Bonner, R. M. Young Sr., J. A. George, John Ed Day, B. B. Colwell, B. H. Gardner and Ronnie Jeffrey.

Mrs. Juanita Little of Sweetwater spent Sunday with her aunt, Mrs. C. E. LaBaume.

## NEWS FROM McCAULLEY

By MRS. FRED KEMP

The weekend rains were followed by beautiful fall weather giving fields a chance to dry which will allow farmers to resume sowing early this week if no further rain.

Mrs. Bill Young is still in Hamlin Hospital but is reported to be much improved.

McCauley Homecoming is to be Saturday, Oct. 26. McCauley Eagles will face the Trent Gorillas Saturday night at 7:30. Seniors are preparing to serve the Homecomers previous to the game, about 5:30. We hope for fair weather; a good attendance; much fellowship; and of course a victory.

The Eagles won the game Friday night with Guthrie, 68 to 18. The boys played a fine game. Guthrie's team is young but shows good coaching and will give some very stiff competition next season.

James Smart was a patient in Hamlin Hospital last week

but has returned home after much improvement.

Mrs. Levi McCollum has just returned from a lengthy visit with Mr. and Mrs. Jim Pickens and children of Seymour.

Rev. George Caffey of Abilene, accompanied by Mrs. Caffey, conducted the services for the McCauley Baptists Sunday morning and evening.

Mr. and Mrs. Pete Forbes are at home after a two weeks' vacation in Gladewater and Dallas.

Mr. and Mrs. Donnie Gann and son of Sylvester were guests last week in the home of Mr. and Mrs. Oran Gann.

Members and friends were invited to family night at the McCauley Methodist Church, Wednesday, Oct. 23.

Fred Carpenter Jr. returned to El Tigre, Venezuela, Sunday after an extended visit with his mother, Mrs. Fred Carpenter.

## Favorite Recipes

by Barbara Craig

Several requests for recipes that have been published here in the past have been received at the Herald office. We are printing these again for those who may have missed them before or have lost their copy.

Anyone who would like to share a favorite recipe with our readers is invited to contribute to this column which seems to appear only when readers ask for or submit recipes.

The brownie recipe is one that was published in 1971 and is sufficient for a large crowd. It should be baked in a 12x18x1 pan or if smaller amount is needed, divide recipe by 4.

### BROWNIES

Barbara Craig

8 eggs  
4 c. sugar  
1 lb. melted margarine  
1 c. cocoa  
4 t. vanilla  
2 c. nuts, or less if desired  
3 c. flour  
2 t. salt

Melt margarine and cocoa. Beat eggs, add sugar, beat again. Add margarine and cocoa, vanilla and salt. Add flour. Bake in greased

18x12x1 pan at 350 degrees 25 to 30 minutes. Do not over-bake.

This recipe for Enchilada Casserole is also suitable for serving a large crowd.

### ENCHILADA CASSEROLE

Wanza Baker

1 pkg. tortillas  
2 lbs. lean ground meat  
1 large onion, chopped  
1 can green chilies, chopped  
1 can cream of chicken soup  
1 can mushroom soup  
2 cans enchilada sauce  
Sliced Monterey Jack or cheddar cheese.

Brown meat, drain. Add onion, enchilada sauce and green chilies. Add soup last. Simmer 20 minutes. Layer in large casserole dish with broken tortillas. Cover with cheese. Cook in oven for 20 minutes at 350 degrees.

## '64 Graduates Get Together At Homecoming

The 1964 graduates of Hamlin High School met in Room 4 of the high school building on Friday night, immediately following the homecoming game.

Punch and cookies were served to approximately 30 guests. An arrangement of candles, green and white flowers and green streamers were used as decoration.

Each graduates' name and present occupation was written on the chalk board so that those attending would know more about each other. A group picture was taken by Tim Jones, local photographer.

Class members, sponsors and parents attending were: Mr. and Mrs. Ron Sipe; Mr. and Mrs. Tommy Robertson; Mr. and Mrs. James Crowley (Ginger Kidd); David Contreras; Mr. and Mrs. Ronnie Teichelman; Mr. and Mrs. Nalley (Teresa Josey); Mrs. Barbara Lakey Newberry; Mr. and Mrs. Bud Smith (Cheryl Brown); Mr. and Mrs. Larry Butler; Mrs. Jean Wells Kiser; Mrs. Polly Jackson Wassel; Mr. and Mrs. Cleon Warner; Mr. and Mrs. Jaylon Fincannon (Judy Fitzgerald); Mr. and Mrs. Charles Scott; Mrs. L. R. Fowler; Tim Jones; Mr. C. F. Cook; Mrs. Sonny Brown; Mrs. Odessa Howard; and Mrs. Ruby Moore.

A similar gathering is planned for the 1979 Homecoming, the class' 15th anniversary year.

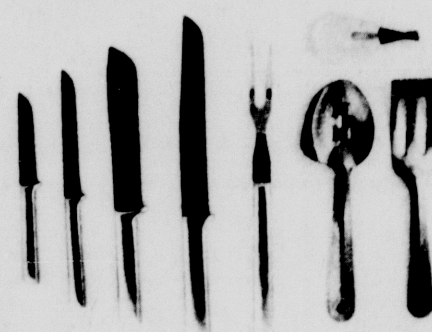

## KLONDIKE MARKET

During the gold rush to the Klondike, eggs once sold for \$1 each. Today eggs and other food and fiber items reach the market faster, fresher, and at a lower cost because of rural electricity. And while increased fuel costs have raised the price of power, the member-owned Midwest Electric Cooperative, as it has for more than 30 years, delivers electricity at its lowest possible price. A dependable supply of power, when and where you need it, is their premise today. . . and their promise for tomorrow.

FROM THE FILES . . .

FIFTY YEARS AGO  
(October 24, 1924)

The Herald is requested to announce that the Hon. C. C. McDonald, of Wichita Falls, formerly Assistant Attorney General will be in Hamlin, Saturday, Oct. 25th, at 10:00 a.m. to address the public in behalf of the Democratic Ticket. Don't know whether he will speak on the streets or in some building, but if you are in town that information can be had.

500 In Sunday school. Sunday School annex crowded to capacity! 150 young people attended the four B.Y.P.U.'s! A mighty spirit gripped the audience as they marched in the auditorium, singing "Loyalty to Christ."

problem of inflation will simply cease to exist. . .

The only thing that will "save the country" is a revolution of falling expectation: no vote-seeker can afford to be honest about this fact. But no side of industry can afford to be honest about it either: capital, management, labor, they all depend upon our continued addiction to levels of consumption which cannot possibly be sustained. Those five deadly sins are their bread-and-butter, and are therefore inflamed by every advertising campaign, every trade union claim.

We are left with the churches, and they ought to be on their own ground here. . . Can the minister of Christ help us, with leadership and dogma and moral exhortation?

If they cannot, or cannot be bothered, we are in a bad way indeed. The answer to inflation is to be sought in their kind of shop. — The Times (London)

Neinda Philosopher Claims New  
Way to Solve All Financial Problems

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One comes up with an idea that's bound to be flawed, but we're not sure where.

Dear editor:

Ever since I saw a group of Congressmen on television a couple of weeks ago examining the gold in Fort Knox something has been going on in the back of my mind.

As I understand it, no elected officials had actually seen the gold the government owns since President Roosevelt inspected it, which is six Presidents ago, so a select group of Congressmen was allowed in just to make sure it's there.

But the thought kept nagging at me, what if the gold hadn't been there? And

for years now we'd been accepting paper money as though it was?

What difference would it have made? And couldn't we have gone on forever merely by keeping a bunch of nosey Congressmen from poking around?

Well, I got to thinking. Just last night I read that a lot of people believe there's at least 200 billion dollars worth of gold bars buried in the sands of New Mexico, left there hundreds of years ago by people I guess who didn't know how to print paper money. Some say it's not buried, it's in a hidden cave, but either way it's there.

Then it hit me. There's the solution to our financial problems. Pick out a cave in the remote mountains of New Mexico, build a four-foot-thick steel door at the mouth, seal it off, put up round-the-

clock guards out front, and declare there's 200 billion dollars worth of gold inside, to be examined no earlier than six Presidents away.

With that much gold behind us we can start up the printing presses and be in financial shape to pay the Arabs any amount they ask for their oil, pay the cattlemen a subsidy for beef on the hoof and the super-markets a subsidy for lowering the price over the counter, restore faith in the stock market, raise the price of football tickets and get the college and pro teams out of the hole, and maybe have enough left over to nearly meet the price of the new cars.

When the 200 billion is used up, pick out another cave. The thing could go on forever.

Yours faithfully,  
J. A.

PROUD  
POSSESSION

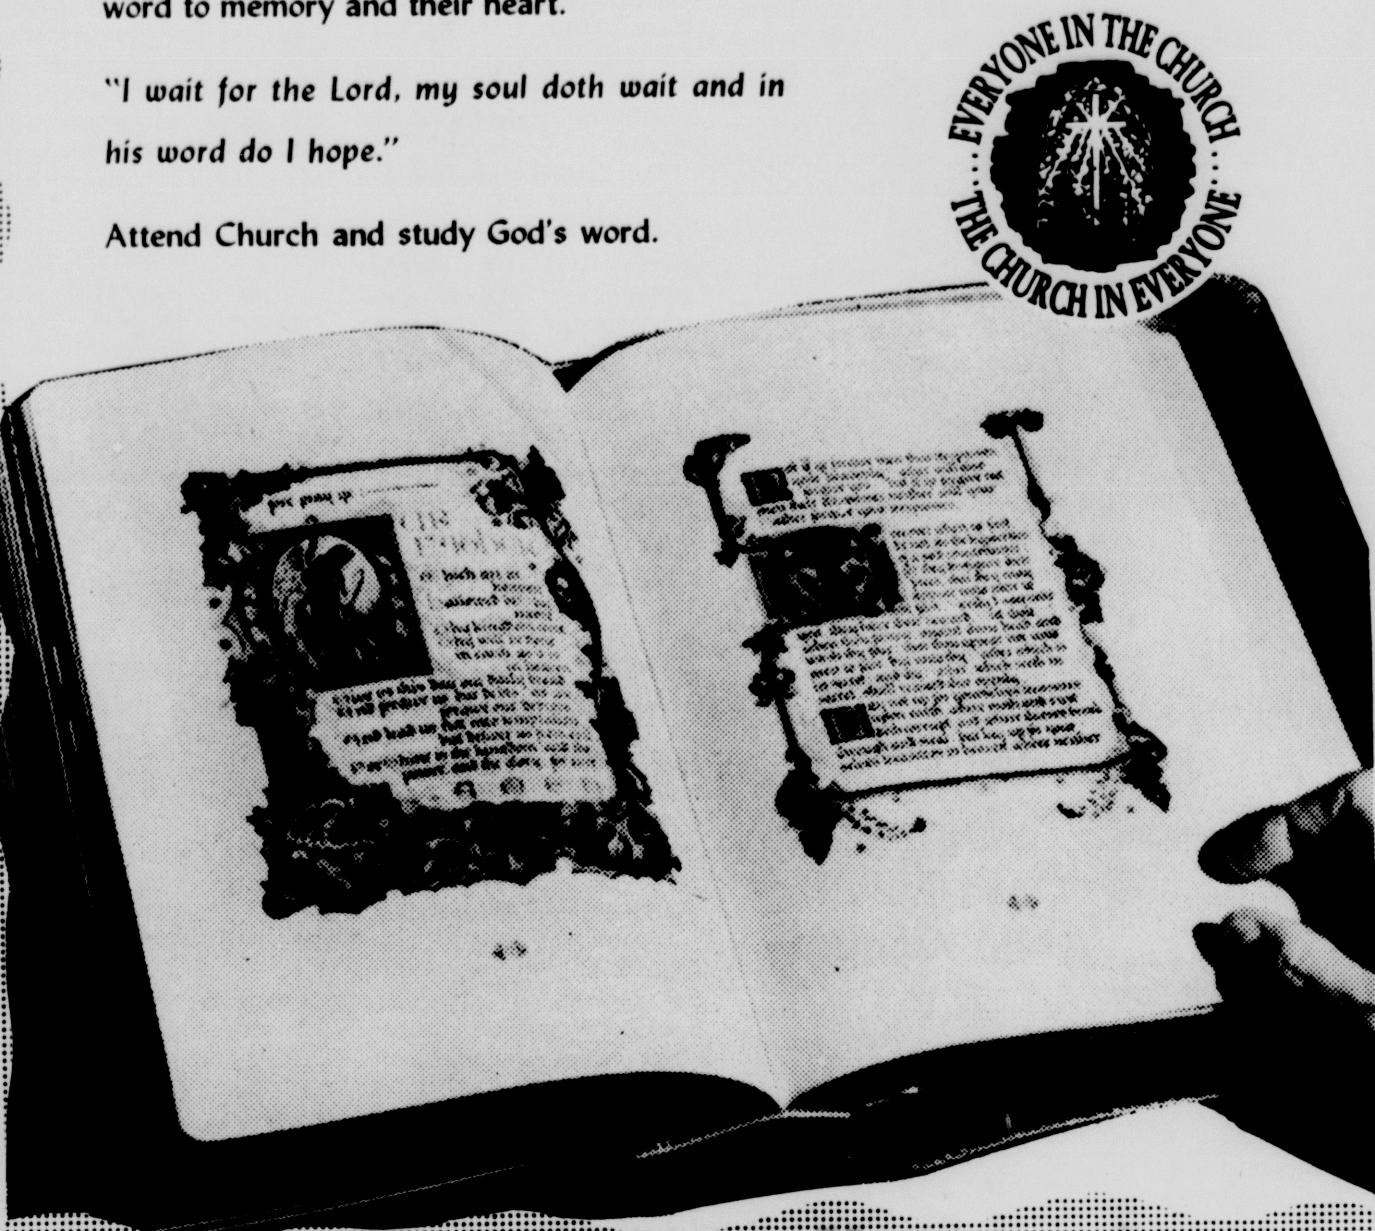

The craftsmanship and artistry that has gone into the production of many bibles does humbly honor God's word. This work is a reflection of men's appreciation and love for God. Many commit God's word to memory and their heart.

"I wait for the Lord, my soul doth wait and in his word do I hope."

Attend Church and study God's word.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

DARRELL W. CRAIG  
UTMB freshman

## Darrell Craig Is Freshman At UT Med School

Darrell W. Craig, son of Mr. and Mrs. Bob Craig, is among the 203 prospective physicians comprising The University of Texas Medical Branch freshmen class this year at Galveston.

As the largest and oldest medical school in Texas and the ninth largest in the country, UTMB has approximately 323 fulltime and 281 part time faculty members for the total medical

student enrollment of 735, with 196 sophomores, 196 juniors, and 135 seniors.

These future doctors, the majority from throughout Texas, will be involved in four information-packed years and will rotate through every UTMB medical department before receiving their medical degrees.

Since there is high competitiveness for entrance into medical school, each of these students were selected according to their scholastic ability, motivation, personal qualifications, and probability of professional success.

All UTMB freshmen begin their curriculum with the basic science program, followed by the clinical science core and the track program. Students are provided with in-depth information about the basic sciences and general clinical work in the various medical specialties. Such material furnishes students with the necessary background for making a decision about their future medical career.

The track program in the fourth year gives students opportunities for learning about patient care in their chosen field.

## Doyle Dean Is Promoted

The promotion of Doyle R. Dean from assistant vice president to vice president in the Time Credit Division at Republic National Bank of Dallas was announced recently by James W. Keay, chairman of the board, and Charles H. Pistor Jr., president.

Dean, originally from Hamlin, holds a B.S. degree from McMurry College in Abilene. He joined the Republic staff in 1967 and was elected an officer of the bank

in 1968.

Dean and his wife, the former Dolores Pride, reside at 4025 Glenrose in Garland. They have three children, Russell, 20, Cheryl, 14, and Steven, 7. Dean is the son of Mrs. Faye Dean of Hamlin.

## Convention

Legionnaires and Auxiliary members from the 17th District of the American Legion will assemble in Abilene on Saturday and Sunday, October 26-27, William F. Jones, Commander of Parramore Post No. 57, has announced.

# Pipers Score Early to Down Ballinger, 10-7

The Pied Pipers took another big step on their way to another district championship Friday night as they defeated the Ballinger Bearcats, 10-7, on the Bearcats' home field. The Pipers turned it around this week as they scored their 10 points in the first quarter instead of waiting until the final period and then played a tremendous defensive game to hold on to their third district win.

The game was a real defensive battle by both sides as the ball changed hands 11 times on seven fumbles and four pass interceptions with the Pipers holding a six to five edge on gaining possession of the football on the turnovers.

Aided by the turnovers, the Pipers played a good game of field position football as the Bearcats only crossed the mid-field stripe three times during the 48 minutes of play. The Bearcats crossed the 50 once in the first half, moving to the Piper 28 before giving up the ball on downs. They drove for their only score early in the third quarter on a 67-yard drive and then crossed the 50 again late in the game before the tough Piper defense pushed them back 21 yards to their own 37 before running out of downs.

The ball changed hands five times on turnovers in the Ballinger end of the field to set up Tracy Rowland's 30-yard field goal that proved to be the difference in the contest. The Pipers followed this up with a 52-yard touchdown drive with William Brown for the score with one minute left in the first period.

Except for the kickoff following the Ballinger third quarter score, the Pipers played the whole second half on the Bearcat end of the field as they took over on the Bearcat 21, 42, 45, 11, 28 and 37.

Russell May returned the opening kickoff from his 30 to the 39 to get the contest underway. With both teams tired up, it took three plays to get the action started as Ballinger was offside once and Hamlin twice. On third down and 10, Johnny Jones broke loose for 20 yards on a draw play to get a first down at the Ballinger 42. A five-yard Ballinger penalty gave the Pipers another first down at the 29 but four plays later the Bearcats lost their first fumble of the evening. But the Bearcats returned the favor two plays later with the Pipers recovering the ball at the Ballinger 32. But then the Pipers lost their first of two pass interceptions with the Bearcats getting the ball on their own 49. Frederick Snell carried 17 yards for the Bearcats but lost the ball at the end of the run and the Pipers took over at the 12. A pass interference penalty

against the Bearcats gave the Pipers a first down at the seven, but a four-yard loss and a five-yard penalty put the ball back on the 16. The Pipers gained three and then missed on a third down pass try before Rowland kicked his 30-yard field goal.

Following the kickoff the Bearcats gained three yards before taking to the air on a trick play with Jones picking the ball off and returning it 25 yards to the Hamlin 48. Ballinger drew a five-yard penalty, Jones gained four yards and then Rowland passed to Brown for 43 yards and the score. Rowland kicked the point after to give the Pipers their 10-0 lead.

Snell returned the kickoff to the Ballinger 24 and the Bearcats moved to the Hamlin 28 before giving up the ball on downs.

On the running of May and Jones, the Pipers moved the ball to the Bearcat 46 and then a pass interference call against the Bearcats gave the Pipers a first down at the 23. Two plays later the Pipers fumbled with Ballinger taking over on their own 22. Five plays later the Bearcats were forced to punt from their own 45 with Hamlin getting the ball on the Piper 21.

On second down Robert Pharris broke loose for 26 yards for a first down at the Bearcat 49. Rowland carried for five and then passed to Brown for gains of six and 13. Ballinger drew a five-yard penalty to give the Pipers a first down at the 20, but the Pipers lost eight yards in three plays and Rowland tried a 46-yard field goal that rolled dead on the Bearcat two. Ballinger ran one play to end the first half.

Ballinger took the second half kickoff and returned it to the Bearcat 33. Rodriguez carried three times for gains of 8, 6 and 5 before McQueen passed to Parrish for 20 yards and a first down on the Hamlin 28. On second down McQueen pitched back to Parrish who in turned handed the ball back to McQueen who completed a pass to Snell for a 27-yard touchdown. Jimmy Smith kicked the point after.

Following the kickoff the Pipers were just short of a first down and punted to the Ballinger 25. The Bearcats fumbled on first down with the Pipers returning the favor two plays later with the Bearcats ending up with the ball on their own 18. Six plays

later the Bearcats gambled on fourth down at their own 41 and failed with the Pipers taking over at the 42. Jones and May gained 13 yards for a first down at the 29 before the Piper offense sputtered and Ballinger took over at their own 30. Rodriguez gained 12 yards but fumbled the ball with Hamlin taking possession at the Bearcat 42. Three plays later Ballinger intercepted a Piper pass at the Bearcat 18. The Pipers held and the Bearcats punted again to their own 45.

The Pipers gained six yards before punting to the Bearcat nine. The Bearcats moved out to the 20 for a first down but then the Piper defense pushed them back to the four from where they punted. Willis caught the punt at the Bearcat 34 and returned it to the 11, but the Pipers could gain only four yards in four plays and gave up the football at the six.

Ballinger moved out to the 28 before Paul Reynolds picked off a Bearcat pass at the 28. The Pipers moved to the 22 in four plays with the Bearcats taking over on downs. Two pass plays helped move the Bearcats into Hamlin territory with a first down at the Hamlin 47. Gary Don Mayes dropped McQueen for a nine-yard loss back to the Bearcat 49, and Luke Reynolds broke up a long lateral play with the ball going out of bounds and costing the Bearcats another 12 yards. Facing fourth and 26, the Bearcats took to the air again with Brown knocking the ball down and the Pipers took over with only seconds left on the clock.

The Pipers ran the clock out with Rowland just falling on the ball for two plays and the Pipers marked up their third district win.

## 24 Students Became FFA Green Hands

### Six Attend National FFA Convention

Six people represented Hamlin and the Hamlin FFA Chapter at the National FFA Convention in Kansas City, Mo., last week. Those attending were chapter members Tracy Gregory, Gary Lain, Guy Turner and Rickey Gruben, Chapter Advisor Milburn Wink, and Mrs. Dick Gruben.

At the convention, Rickey received his American Farmer Degree, the highest degree conferred upon members by the FFA.

The Hamlin FFA Chapter was presented with a gold emblem rating in the National Chapter Contest. The gold emblem rating is the highest rating a chapter can achieve. This year only 98 chapters in the United States earned the gold emblem rating. The award was received by Guy Turner and Chapter Advisor Wink.

There were many highlights to the convention this year and chapter representatives were present at all sessions of the convention. One thing that the members will remember was seeing the President of the United States Gerald Ford and hearing his address to the convention which was televised to the nation.

### Rotary Club Hears District Governor

Dr. W. O. (Bill) Trogon of Stephenville, Governor of the Rotary district of this area, addressed the Rotary Club here Oct. 16 during his official visit. The local club is one of 40 Rotary clubs in District 579.

Speaking of the global growth of Rotary, an international men's service organization, the District Governor, who is President of Tarleton State University, said:

"Rotary is the pioneer of the service clubs and today numbers more than 16,092 clubs with a combined membership of more than 758,800 business and professional men. Spread throughout 151 countries and geographical regions in all parts of the world, Rotary clubs conduct activities to improve their communities, aid youth, elevate business standards, and further international friendships and understanding."

The District Governor also conferred with Edward Gardner, local Rotary Club president, and Joe Simpson, club secretary, on matters of club administration and plans for future activities.

During his visit, the Rotary official was given additional information on some of the local Rotary Club's activities, including: what makes the Hamlin Rotary Club an active force in the community and in the lives of the individual members.

"One of our major objectives for this Rotary year is to get new members and keep them," President Gardner said.

victory throughout the game. The Pipers are out for the district title and are proving it with their victories.

The FHA had a meeting last Monday night. The FHA will be planning to have secret grandmothers this year. They will also have a spook house for a Halloween activity.

Hamlin student body took advantage of the Monday holiday to rest and enjoy the extended weekend. Friday there will be an open date for the Pipers to rest, but they will be doubly prepared for the Coahoma game.

### Patrice Moore Named FFA Sweetheart

Patrice Moore, daughter of Mrs. Fred B. Moore Jr., has been elected FFA Sweetheart by the Hamlin FFA Chapter. Patrice is a junior in Hamlin High School and active in many school activities.

Patrice is vice president of the Hamlin High School Student Council, Third vice president of the FHA, a cheerleader, and a member of the band. She also served as Freshman Class reporter and favorite.

Patrice will represent the Hamlin FFA Chapter at various activities during the year. She will serve as a hostess to the Double Mountain District FFA Leadership Contests in November. She will be the Hamlin FFA's entry in the Double Mountain District Sweetheart Contest next spring, the Jones County Cotton Queen Contest next August, and the West Texas Fair Sweetheart Contest next September.

## NEWS AND VIEWS...

### And What Have You

By BOB CRAIG

Needless to say I was disappointed in Saturday's election. Not so much that the bond issue failed as I was in the poor voter turnout. If only 129 people were interested in Hamlin having a track then we probably didn't need one.

But unfortunately, I suspect that a lot of people who wanted the issue to pass did not take the time to vote.

The fact that our economy is in such bad shape right now was no doubt a big factor in the defeat of the issue and maybe when we as a nation solve this problem it will be possible to try this issue again.

And on the subject of the economy, I ran across the following editorial from The London Times that was reprinted in The Christian Science Monitor. It points up the fact that inflation is a world-wide problem and not just a problem that this nation faces alone.

The editorial follows:

Nobody goes to the ironmonger because he wants a loaf of bread. . . But a great many of us, troubled by inflation, turn for an answer to the politicians.

I want to suggest that it isn't their kind of problem — that the answer to it (if there is one) will have little to do with new laws and policies. . . At heart, it's a religious and moral problem: its solution (if any) will be found in the kind of shop kept by priests and preachers and prophets and moralists. At best, politicians and parliaments can mitigate the damage; they can't go to the root of the problem.

What is inflation, after all? It's an economist's word for over-consumption; for living beyond your income; for taking more out of the kitty than you put in. This has become a near-universal habit in "developed" countries: in ours more than most. The fact is that we've all got ideas above our station; we have come to take for granted a quite fanciful and unrealistic notion of the "standard of living" to which we are entitled, as though by divine right. Why shouldn't I have fillet steak for dinner every day? Why shouldn't I have a jet-holiday in Mallorca every year? Why should I work long hard hours at some dreary job, and for a low wage?

Alas, there's no "should" or "shouldn't" about it. The facts of arithmetic are what they are. The world simply can't provide all that many fillet steaks, and its reserves of jet-fuel are running low. There's no question of moral entitlement at any point. Each man is in this world naked and hungry until somebody does something about it, something which will usually be difficult and laborious. No kind of society can be kept in being unless a very large proportion of its people are prepared to work hard at monotonous tasks for a fairly small economic reward. To resent this is to resent the fact that two and two don't make fifteen.

Overlooking these realities and living as a man who inherited a thousand pounds and then proceeded to live it up at a hundred pounds a day, we have built into the structures of our society the deadly sins of pride, envy, avarice, gluttony and sloth. The outcome is what we call inflation; and to help this process along, we have conveniently forgotten two sound old principles — the principle that it is a disgrace, a moral failing, to be in debt; and the principle (long asserted by every Christian moralist) that usury is a sin.

In so far as those two principles return to power, in so far as those five deadly sins are repented, the

**BIG THREE POINTS**—The Pied Pipers took an early three-point lead over the Ballinger Bearcats on this 30-yard field goal by Tracy Rowland Friday night that proved to be the big difference as the Pipers knocked off the previously unbeaten Bearcats, 10-7. The Pipers put all of their points on the scoreboard in the first quarter and then played a tough defensive game that kept the Bearcats on their own end of the field most of the night. ## STILL LONG WAY TO GO—

### Response Encouraging On Bicentennial Project

"Response to the city's Bicentennial Project has been very encouraging, but we still have a long way to go," said Mayor Joe E. Ford Tuesday. The project includes buying the old Victoria Courts and converting the area into a road side park.

The mayor said that the response from those who have given money to the

project has been good, but that only a few have contributed to the fund at this time. Ford said that as of Tuesday afternoon a total of \$477.00 has been contributed toward the \$3,000.00 goal.

The \$3,000 is needed to purchase the site of the Courts where the project would be centered. The city and the state will clean off the site and construct the park once the site has been secured, the Mayor said.

Mayor Ford said that communities across the nation are making special efforts to improve their communities during this special two-year anniversary celebration and added that he hoped that this project would only be the start in an effort to improve our community during this period.

As part of a "Beautify Our Town" effort, the Mayor said that not only would this project benefit the area residents and travelers, it would also improve the looks and safety of our south entrance to the city. The Texas Highway Department has hopes of widening the bridge and the highway leading out of the city which would improve the traffic flow, the Mayor added.

## Farabee Due

Ray Farabee, Democratic nominee for the Texas Senate, will campaign in Hamlin Saturday morning. His Hamlin coordinator is John Scarborough.

Farabee will come to Hamlin from Anson and will go on to Rotan following his work in Hamlin.

Anyone wishing to take part in the Bicentennial project may make contributions to it by contacting Joe Ford at the F and M National Bank or mail their donations to: Mrs. Joe E. Ford, Box 465, Hamlin or Mrs. John D. Ferguson Jr., Box 381, Hamlin.

## Chief Wheat Sets Rules for Halloween

With Halloween just one week away, Ed Wheat, Hamlin Chief of Police said Tuesday that he has been getting inquiries again this year about restrictions to be enforced during Halloween.

Chief Wheat said that several inquiries were about egg and water balloon throwing. He said that the same rules would be enforced this year as last year. He said that they would be allowed as long as they are not aimed toward buildings, homes and automobiles.

Destruction of property will not be tolerated, he said.

He added that it would be wise for parents to plan to take their young children "trick or treating" early in the evening before dark. Also, he suggested that parents not take their children into a strange neighborhood. "Know the people you let your children trick or treat," he cautioned.

## JV's, FROSH PLAY TONIGHT—

### Pipers Take Week Off, Lead In District Race

The Pied Pipers will take a well deserved Friday night off this week as they prepare for the Coahoma Bulldogs the following week. The Pipers, now in first place in District 6-AA, defeated the Ballinger Bearcats, 10-7, last Friday in a grueling defensive battle. The Pipers are now 3-0 in

district play with Coahoma, 2-0-1; Ballinger, 1-1; Anson, 1-1; Colorado City, 1-1; and Stamford, 0-2; and Winters, 0-3.

While the Pipers were knocking off the previously unbeaten Bearcats, Coahoma was defeating Winters, 27-12, and Anson was running over Stamford, 61-6. This week Coahoma hosts Ballinger with the loser being just about eliminated from the district title race. In other 6-AA action, Anson goes to Colorado City and Winters goes to Anson.

Two games have been added to the schedule this week, according to Coach David Bonds. The local Junior Varsity will travel to Haskell tonight (Thursday) with the kickoff set for 7:30 and the Freshmen will travel to Rotan tonight and the kickoff there will also be at 7:30.

The eighth grade game scheduled for 5 p.m. here today with Sweetwater has been changed to 5:30.

Last week the Freshmen defeated Rule there on Thursday, 32-0, and the JV's defeated the Cooper B-Team, 32-12, in Abilene.

The Pied Piper Booster Club will not meet Monday evening, according to Bobby Moore, president. Coach Bonds told the Booster Club here Monday evening that he was real proud of the Pipers for their play against the

much bigger Bearcat team. He had special praise for the defensive unit for the hard hitting game they played against the Bearcats.

## Industrial Team Sets Austin Trip

The newly formed Hamlin Industrial Team will attend a one-day seminar in Austin on Monday, Nov. 4, according to Loyd Burkhart, chairman. The group will meet here next Tuesday evening to make plans for the trip.

Burkhart said that 11 or 12 members are making plans to attend the meeting to be conducted by the Texas Industrial Commission.

The purpose of the seminar is to prepare the BCD sponsored team to meet with industrial prospects and to compile the necessary information required by firms that might be interested in locating a plant in Hamlin.

The meeting in Austin will be under the direction of Homer Tucker of the state organization and will be from 9 a.m. until 4 p.m. in the Sam Houston State Office Building.

## Workshop On Playground Equipment Set

The Hamlin Future Farmers of America Chapter will hold a special meeting Monday at 7:30 p.m. in the FFA building at the high school.

Jerry Turner of Austin, Day Care and Child Development consultant, will hold a workshop on design and construction of playground equipment from scrap.

All persons interested in the workshop program are invited to attend. Instructions received by FFA members will be used in making equipment for the Hamlin Child Care Center, the local chapters' community project.

## Miss Mitchell Honored As Top Teacher

Miss Dora Mitchell, Hamlin High School teacher, was honored Monday in Sweetwater as 1974-75 Business Teacher of the Year for District XIV, Texas State Teachers Association.

Miss Mitchell's honor was announced at a luncheon of the Texas Business Education Association. She is a graduate of Abilene Christian College and has taught in the local school 30 years.

## Hamlin Ag Club to Meet

The Hamlin Ag Club will hold its monthly meeting Tuesday, Oct. 29 at the high school Ag. Dept.

The program should be of interest to all cotton producers. Watt Olivo, representing the Plains Cotton Co-op of Lubbock, will be the speaker. He will discuss cotton prices and this year's marketing of cotton.

All farmers interested in getting more money for their cotton are welcome to attend.

## BCD Seek's Nominations For Citizens of the Year

The Hamlin Board of Community Development is now taking nominations for Citizens of the Year to be presented at the annual banquet to be held after the first of the year. The nominations for Man and Woman of the Year are being accepted from clubs, organizations and individuals, according to Bob Craig, president.

Deadline for submitting names to be considered for the award should be turned in by Dec. 1 at the BCD office located in the City Hall Annex.

A committee will be named by the BCD Board to select

the Man and Woman of the Year from these nominees.

Jack Willingham and Mrs. A. A. Hackley were honored by the BCD as top citizens for 1973 at the annual banquet held earlier this year.

Meeting last Friday, the BCD Board of Directors also voted to donate \$100 to the local Bicentennial Park Project and heard reports on the progress of the Industrial Foundation.

The Board also agreed to be responsible for the Bingo game and the drink concession at the City Wide Carnival to be held Saturday, Nov. 9, for the Hamlin Child Day Care Center.

**AMERICAN FARMER**—Mark Mayfield (left) National President of the Future Farmers of America presents the American Farmer Degree to Rickey Gruben of Hamlin. The American Farmer Degree is the highest degree of membership in the FFA. It was presented to 643 FFA members during the 47th National FFA Convention held in Kansas City, Missouri, October 15-18.

## Beta Theta Hosts Supper For Rushees

A Mexican supper in the home of Mrs. John D. Ferguson Jr. entertained two rushees of Beta Theta Chapter of Beta Sigma Phi Thursday evening.

Mexican ornaments provided the Mexican atmosphere and members and rushees were dressed in authentic costumes. Mrs. John Poe and Mrs. Holman Jones presented a skit depicting the purposes and scope of Beta Sigma Phi.

Rushees attending the Mexican supper were Mrs. Jimmy Hastings and Mrs. David Bonds. The rushees presented an original comical skit.

Other members attending the supper were Mmes. Rodger Bell, Jim Bonds, Randy Brown, Mike Byerly, Joe Cortez, James Crowley Sam Mack Hodges, Freddie Hubbard, Joe Don Hymer, Johnny Jeffrey, Parker Kelley, Ken Prewit, O. H. Weaver, Pat Willoughby and Gerald Young.

A business meeting immediately followed the supper with Mrs. Parker Kelley, president, presiding.

Mrs. Ferguson presented the plans for the proposed road side park, the city project for the United States Bicentennial. Each member donated a dollar to this fund.

A baked potato booth will be sponsored by the chapter at the City-Wide Carnival to aid the Day Care Center.

The next meeting will be Nov. 6 in the home of Mrs. Joe E. Ford.

## Young Adult Class Meeting Held Monday

Ladies of the Young Adult Sunday School class of First Baptist Church had their regular monthly business meeting Monday evening in the home of Mrs. O. H. Weaver Jr. The group planned their Thanksgiving dinner to be held Nov. 16 in the home of Rev. and Mrs. Howard Jones.

Those attending the meeting were Mmes. Pat Willoughby, Bobby Stubblefield, Paul Frazier, Robert Moore, Howard Jones, Larry Butler, David Watson, C. L. White and Andy Brown.

## Mrs. Spalding Honored With Shower Here

Mrs. Ernest Spalding was honored with a pink and blue shower Thursday in the home of Mrs. W. D. Berry, 150 S. W. Ave. D. Hostesses with Mrs. Berry were Mmes. Martin Collom, Lee Flowers, Martin Jordan, M. D. Holland, Jerry McCright and Billy Don Cooper.

A lace cloth over pink and blue was used on the refreshment table. The centerpiece was a large stork and flowers arranged in a crystal container.

Guests included Mmes. Paul Spalding, Sherl Warner, Robert Allen, H. R. Gray, Johnny Ferris, Mack Hilliard, E. W. McDonald, Billy Weaver, Gerald Houghton, Doug Spalding, Julian Rangel, Bobby Stubblefield, Pat Harper and Beulah May.

## Bridge Winners

The Hamlin Duplicate Bridge Club met Tuesday evening with Cathy Parker and Jerry Crooker, both of Abilene, taking first place.

Second place winners were Helen Vidrine and Pate Willingham, both of Abilene. Third place was a three way tie between Mrs. Don Hymer and Mrs. W. O. Willbanks, Mrs. Dale Lain and Preston Morrow of Rotan, and Jo Smith and Bob Preston, both of Abilene.

## Mrs. Haught Hosts B&PW Club Meeting

Mrs. Juanita Little of Sweetwater spent Sunday with her aunt, Mrs. C. E. LaBaume.

## NEWS FROM McCauley

By MRS. FRED KEMP

The weekend rains were followed by beautiful fall weather giving fields a chance to dry which will allow farmers to resume sowing early this week if no further rain.

Mrs. Bill Young is still in Hamlin Hospital but is reported to be much improved.

McCauley Homecoming is to be Saturday, Oct. 26. McCauley Eagles will face the Trent Gorillas Saturday night at 7:30. Seniors are preparing to serve the Homecomers previous to the game, about 5:30. We hope for fair weather; a good attendance; much fellowship; and of course a victory.

The Eagles won the game Friday night with Guthrie, 68 to 18. The boys played a fine game. Guthrie's team is young but shows good coaching and will give some very stiff competition next season.

James Smart was a patient in Hamlin Hospital last week

but has returned home after much improvement.

Mrs. Levi McCollum has just returned from a lengthy visit with Mr. and Mrs. Jim Pickens and children of Seymour.

Rev. George Caffey of Abilene, accompanied by Mrs. Caffey, conducted the services for the McCauley Baptists Sunday morning and evening.

Mr. and Mrs. Pete Forbes are at home after a two weeks' vacation in Gladewater and Dallas.

Mr. and Mrs. Donnie Gann and son of Sylvester were guests last week in the home of Mr. and Mrs. Oran Gann.

Members and friends were invited to family night at the McCauley Methodist Church, Wednesday, Oct. 23.

Fred Carpenter Jr. returned to El Tigre, Venezuela, Sunday after an extended visit with his mother, Mrs. Fred Carpenter.

## Favorite Recipes

by Barbara Craig

Several requests for recipes that have been published here in the past have been received at the Herald office. We are printing these again for those who may have missed them before or have lost their copy.

Anyone who would like to share a favorite recipe with our readers is invited to contribute to this column which seems to appear only when readers ask for or submit recipes.

The brownie recipe is one that was published in 1971 and is sufficient for a large crowd. It should be baked in a 12x18x1 pan or if smaller amount is needed, divide recipe by 4.

### BROWNIES

Barbara Craig

8 eggs  
4 c. sugar  
1 lb. melted margarine  
1 c. cocoa  
4 t. vanilla  
2 c. nuts, or less if desired  
3 c. flour  
2 t. salt

Melt margarine and cocoa. Beat eggs, add sugar, beat again. Add margarine and cocoa, vanilla and salt. Add flour. Bake in greased

18x12x1 pan at 350 degrees 25 to 30 minutes. Do not over-bake.

This recipe for Enchilada Casserole is also suitable for serving a large crowd.

### ENCHILADA CASSEROLE

Wanza Baker

1 pkg. tortillas  
2 lbs. lean ground meat  
1 large onion, chopped  
1 can green chilies, chopped  
1 can cream of chicken soup  
1 can mushroom soup  
2 cans enchilada sauce  
Sliced Monterey Jack or cheddar cheese.

Brown meat, drain. Add onion, enchilada sauce and green chilies. Add soup last. Simmer 20 minutes. Layer in large casserole dish with broken tortillas. Cover with cheese. Cook in oven for 20 minutes at 350 degrees.

## '64 Graduates Get Together At Homecoming

The 1964 graduates of Hamlin High School met in Room 4 of the high school building on Friday night, immediately following the homecoming game.

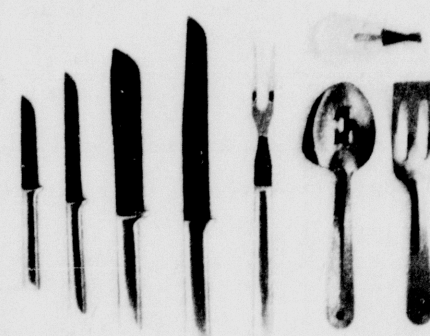

Punch and cookies were served to approximately 30 guests. An arrangement of candles, green and white flowers and green streamers were used as decoration.

Each graduates' name and present occupation was written on the chalk board so that those attending would know more about each other. A group picture was taken by Tim Jones, local photographer.

Class members, sponsors and parents attending were: Mr. and Mrs. Ron Sipe; Mr. and Mrs. Tommy Robertson; Mr. and Mrs. James Crowley (Ginger Kidd); David Contreras; Mr. and Mrs. Ronnie Teichelman; Mr. and Mrs. Nalley (Teresa Josey); Mrs. Barbara Lakey Newberry; Mr. and Mrs. Bud Smith (Cheryl Brown); Mr. and Mrs. Larry Butler; Mrs. Jean Wells Kiser; Mrs. Polly Jackson Wessel; Mr. and Mrs. Cleon Warner; Mr. and Mrs. Jaylon Fincannon (Judy Fitzgerald); Mr. and Mrs. Charles Scott; Mrs. L. R. Fowler; Tim Jones; Mr. C. F. Cook; Mrs. Sonny Brown; Mrs. Odessa Howard; and Mrs. Ruby Moore.

A similar gathering is planned for the 1979 Homecoming, the class' 15th anniversary year.

## KLONDIKE MARKET

During the gold rush to the Klondike, eggs once sold for \$1 each. Today eggs and other food and fiber items reach the market faster, fresher, and at a lower cost because of rural electricity. And while increased fuel costs have raised the price of power, the member-owned Midwest Electric Cooperative, as it has for more than 30 years, delivers electricity at its lowest possible price. A dependable supply of power, when and where you need it, is their premise today... and their promise for tomorrow.

The Herald is requested to announce that the Hon. C. C. McDonald, of Wichita Falls, formerly Assistant Attorney General will be in Hamlin, Saturday, Oct. 25th, at 10:00 a.m. to address the public in behalf of the Democratic Ticket. Don't know whether he will speak on the streets or in some building, but if you are in town that information can be had.

500 In Sunday school. Sunday School annex crowded to capacity! 150 young people attended the four B.Y.P.U.'s! A mighty spirit gripped the audience as they marched in the auditorium, singing "Loyalty to Christ."

Simple glycerine, buckthorn bark, etc., as mixed in Adlerika, helps any case gas on the stomach in TEN minutes. Most medicines act only on lower bowel but Adlerika acts on both upper and lower bowel and removes all gasses and poisons.

The first number of the series of entertainments, being sponsored by the Parent-Teacher Association, will appear on the evening of Oct. 28th, at the School Auditorium, at 8:00 o'clock.

S. T. Merritt and family are back from their home in Oklahoma to live among Hamlin folks. S. T. says there's nothing like Texas and West Texas people, whose handshake and hospitality is the best in the world. It's so too.

W. P. Flint writes the Herald from Redlands, California, asking that the old home town paper be sent to him. He is getting homesick and to cure it he is going to come back and fill up on some famous West Texas grub.

TWENTY YEARS AGO  
(October 22, 1954)

Mrs. John Hymer of Hamlin was notified last weekend that her entry in the girl doll sewing division at the State Fair of Texas had been awarded third place and a cash award was presented to her.

Hamlin Volunteer Firemen won a first and a second place in the spirited races staged as a climax of the semi-annual meeting of the Mid-West Texas Firemen's convention at Cisco last Thursday.

Regular Friday singing at the Dove community church, five miles east of Hamlin, is scheduled for this evening, community leaders state.

Rev. Houston Walker, pastor of the Hamlin First Baptist Church, and Mrs. Walker were in Fort Worth first of the week attending annual sessions of the Texas Baptist General Convention.

City tax collections for 1954 are coming in at a better clip this year than in previous years, it was indicated this week in a tabulation made by Mrs. H. M. Barrow, city tax collector. Collections at the close of business Tuesday totaled \$14,857.98, compared with \$13,153.48, on October 19 in 1953, she said.

Cotton farmers of the Hamlin area found some assurance Wednesday in

an announcement from Washington that indications that unofficial figures on the 1954 crop forecast that the support price for cotton next year will remain at 90 per cent of parity.

Model meeting of the year for members of the Beta Theta chapter of Beta Sigma Phi was conducted last Thursday in the home of Mrs. E. J. Hawkins.

Mr. C. F. Cook, superintendent of Hamlin Public Schools, has been re-elected to membership on the Legislative Council from Region I, Conference AA of the University Interscholastic League.

Youth of Hamlin will join together in a united drive for funds for CROP here Wednesday evening, Oct. 28. The drive is being planned by the Ministerial Alliance and all young people are invited to participate.

The Air-Ways CB Club met Monday, Oct. 19 for their regular business session and elected officers for the coming year: Jerry Pritchard was elected president; Glen Williams, vice president; Sue Cooper, secretary and Mrs. Delton Jackson was re-elected to serve as treasurer. Spencer Liles is out-going vice president. Liles was re-elected to serve as public relations chairman.

Copies of the 1964 Hamlin telephone directory will be mailed to customers here on Oct. 21, Joel Hurley, manager for the South-western Bell Telephone Company said.

A. L. Gamble, now sole owner of M and G Used Cars, announced this week that he had purchased the interest formerly owned by L. V. Miller.

problem of inflation will simply cease to exist. . .

The only thing that will "save the country" is a revolution of falling expectation: no vote-seeker can afford to be honest about this fact. But no side of industry can afford to be honest about it either: capital, management, labor, they all depend upon our continued addiction to levels of consumption which cannot possibly be sustained. Those five deadly sins are their bread-and-butter, and are therefore inflamed by every advertising campaign, every trade union claim.

We are left with the churches, and they ought to be on their own ground here. . . Can the minister of Christ help us, with leadership and dogma and moral exhortation?

If they cannot, or cannot be bothered, we are in a bad way indeed. The answer to inflation is to be sought in their kind of shop. — The Times (London)

Neinda Philosopher Claims New  
Way to Solve All Financial Problems

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One comes up with an idea that's bound to be flawed, but we're not sure where.

Dear editor:  
Ever since I saw a group of Congressmen on television a couple of weeks ago examining the gold in Fort Knox something has been going on in the back of my mind.

As I understand it, no elected officials had actually seen the gold the government owns since President Roosevelt inspected it, which is six Presidents ago, so a select group of Congressmen was allowed in just to make sure it's there.

But the thought kept nagging at me, what if the gold hadn't been there? And

for years now we'd been accepting paper money as though it was?

What difference would it have made? And couldn't we have gone on forever merely by keeping a bunch of nosy Congressmen from poking around?

Well, I got to thinking. Just last night I read that a lot of people believe there's at least 200 billion dollars worth of gold bars buried in the sands of New Mexico, left there hundreds of years ago by people I guess who didn't know how to print paper money. Some say it's not buried, it's in a hidden cave, but either way it's there.

Then it hit me. There's the solution to our financial problems. Pick out a cave in the remote mountains of New Mexico, build a four-foot-thick steel door at the mouth, seal it off, put up round-the-

clock guards out front, and declare there's 200 billion dollars worth of gold inside, to be examined no earlier than six Presidents away.

With that much gold behind us we can start up the printing presses and be in financial shape to pay the Arabs any amount they ask for their oil, pay the cattlemen a subsidy for beef on the hoof and the super-markets a subsidy for lowering the price over the counter, restore faith in the stock market, raise the price of football tickets and get the college and pro teams out of the hole, and maybe have enough left over to nearly meet the price of the new cars.

When the 200 billion is used up, pick out another cave. The thing could go on forever.  
Yours faithfully,  
J. A.

PROUD  
POSSESSION

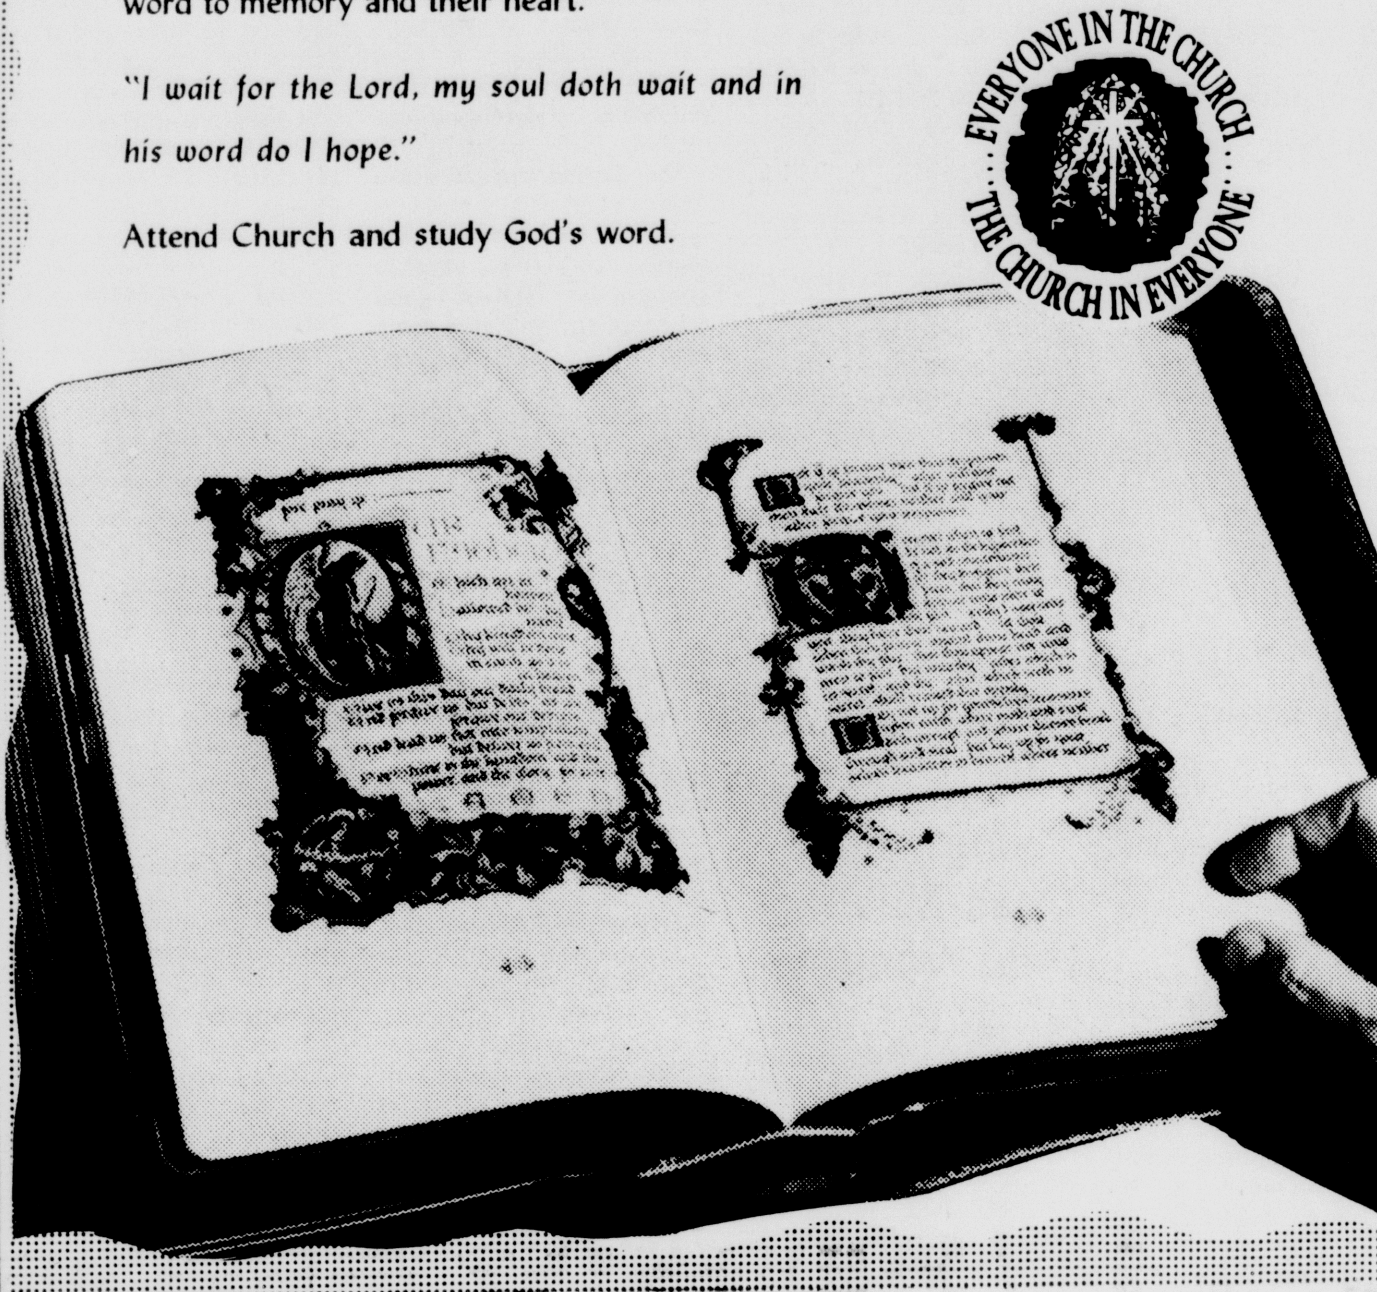

The craftsmanship and artistry that has gone into the production of many bibles does humbly honor God's word. This work is a reflection of men's appreciation and love for God. Many commit God's word to memory and their heart.

"I wait for the Lord, my soul doth wait and in his word do I hope."

Attend Church and study God's word.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

DARRELL W. CRAIG  
UTMB freshman

## Darrell Craig Is Freshman At UT Med School

Darrell W. Craig, son of Mr. and Mrs. Bob Craig, is among the 203 prospective physicians comprising The University of Texas Medical Branch freshmen class this year at Galveston.

As the largest and oldest medical school in Texas and the ninth largest in the country, UTMB has approximately 323 fulltime and 281 part time faculty members for the total medical

student enrollment of 735, with 196 sophomores, 196 juniors, and 135 seniors. These future doctors, the majority from throughout Texas, will be involved in four information-packed years and will rotate through every UTMB medical department before receiving their medical degrees.

Since there is high competitiveness for entrance into medical school, each of these students were selected according to their scholastic ability, motivation, personal qualifications, and probability of professional success.

All UTMB freshmen begin their curriculum with the basic science program, followed by the clinical science core and the track program. Students are provided with in-depth information about the basic sciences and general clinical work in the various medical specialties. Such material furnishes students with the necessary background for making a decision about their future medical career.

The track program in the fourth year gives students opportunities for learning about patient care in their chosen field.

## Doyle Dean Is Promoted

The promotion of Doyle R. Dean from assistant vice president to vice president in the Time Credit Division at Republic National Bank of Dallas was announced recently by James W. Keay, chairman of the board, and Charles H. Pistor Jr., president.

Dean, originally from Hamlin, holds a B.S. degree from McMurry College in Abilene. He joined the Republic staff in 1967 and was elected an officer of the bank

in 1968.

Dean and his wife, the former Dolores Pride, reside at 4025 Glenrose in Garland. They have three children, Russell, 20, Cheryl, 14, and Steven, 7. Dean is the son of Mrs. Faye Dean of Hamlin.

## Convention

Legionnaires and Auxiliary members from the 17th District of the American Legion will assemble in Abilene on Saturday and Sunday, October 26-27, William F. Jones, Commander of Paramore Post No. 57, has announced.

Services Held Saturday for Mrs. Herbst, 78

Mrs. D. J. (Earl) Herbst, 78, longtime area resident, died at 3:35 p.m. Thursday at Hendrick Memorial Hospital in Abilene, after a five-week illness.

Funeral services were held at 2 p.m. Saturday at First Baptist Church. The Rev. Howard Jones, pastor, the Rev. L. V. Ratliff Jr., pastor of Sunrise Baptist Church in Amarillo, and the Rev. Bill Ratliff, pastor of Eastern Hills Baptist Church in Albuquerque, N. M., officiated.

Burial was in Hamlin East Cemetery under the direction of McCoy Funeral Home.

Born Jan. 12, 1896, in Franklin County, she was the daughter of the late Mr. and Mrs. W. E. Shields. The family moved to McCauley when she was a young child. Her father served as a night watchmen in Hamlin for a time.

She married Dave Herbst in 1913. They lived in Wise Chapel community southeast of Hamlin, where they had extensive landholdings. After his death Oct. 25, 1951, Mrs. Herbst moved to 553 North Central in Hamlin and continued the supervision of farming interests.

She was a member of First Baptist Church.

Survivors include two sisters, Mrs. L. V. (Opal) Ratliff of Abilene and Mrs. V. H. (Cue) Giles of Olton, and several nieces and nephews.

Pallbearers were Lewis Ray Shields, Harold V. Shields, Douglas Giles, W. J. Giles, J. C. Turner and Wayne Hodnett.

Weekend events should be reported to Herald by noon Monday.

Neinda Philosopher Takes Look At New Idea for Lowering Meat Prices

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One explores a new idea on inflation this week.

Dear editor:

In order to whip inflation, all the experts agree, we've got to take some bold new steps but nobody is very clear about exactly what those steps are. If you took every step recommended you'd get tangled up before you got out the front door and as a result patting their foot is about as far as most of the leaders care to go.

But I was interested in a step if you want to call it that to reduce the price of meat in the supermarket, not on the hoof.

In order to bring the retail price down, the U.S. Department of Agriculture has come up with an idea that has limitless possibilities. Discovering that people aren't buying as much of the choice grades of beef as they did when everybody expected to get a raise every six

months and eventually become a millionaire if they ever got their car and house paid for, the Department says the way to increase such purchases is to lower the quality but still call it choice. The grade of beef formerly called good is not to be called choice. Thus over night the price of choice beef would drop about 20 per cent and we've got inflation on the run.

There are all sorts of possibilities for this new idea. Want to lower the price of a loaf of bread? Cut the price by 20 per cent and the size by 40 per cent. Good news! The price of a loaf of bread has come down, and the kid at the end of the table who sees the slices disappear before the plate reaches him can bite a

bullet, although he's going to have a hard time sopping gravy with it.

Speaking of biting the bullet, if we've all got to do that to whip inflation I guess it's all right, but it's hard enough to get a dental appointment as it is.

But back to the earlier idea, Want to lower the price of a Cadillac? Just change the name of a Ford to Cadillac and get a luxury car for half price. Want more educated teachers? Call a B.A. degree a Ph. D. Want lower interest rates? Re-arrange arithmetic and make 6 stand for 12. With 6 per cent money business would boom.

You could keep going with this line of thinking but the whole idea reminds me of the sharp guy who was selling apples for 10 cents apiece or two for a quarter. Said it was amazing how many people bought two, if you didn't give them time to stop and think. That must be what the Department of Agriculture is counting on.

Yours faithfully,  
J. A.

Faculty Sets Drug Workshop Here Tuesday

Classes will be dismissed at 2 p.m. Tuesday in order for teachers to take part in an in-service training workshop, according to Supt. Bob Hawes.

The workshop will be directed by Marvin Carlton who along with Inez Ferguson, Edith Carter, Jerry Bodine and Betty Shira attended the federally sponsored training session on drug abuse at Bandera.

Information gained in the nine-day session will be presented to the local teachers.

A second session will be held in January.

CONSERVE ENERGY With Proper Insulation

Proper insulation helps to keep OUT heat in the summer, cold in the winter, helps to reduce outside noises, and absorbs inside sounds.

Adequate insulation can save over 40% on energy costs annually. You should have at least 4" in walls and 6" in ceilings. Heating and air conditioning duct-work should be wrapped with insulating material.

Insulation can pay for itself with the savings from operating costs in about 1 1/2 years. Your home will be cleaner because insulation will help to keep dust and dirt pollution from sifting in.

Check all windows and doors. If a cold draft indicates you are losing heat, install weatherstripping and caulking where needed. It will save on both heating and cooling costs.

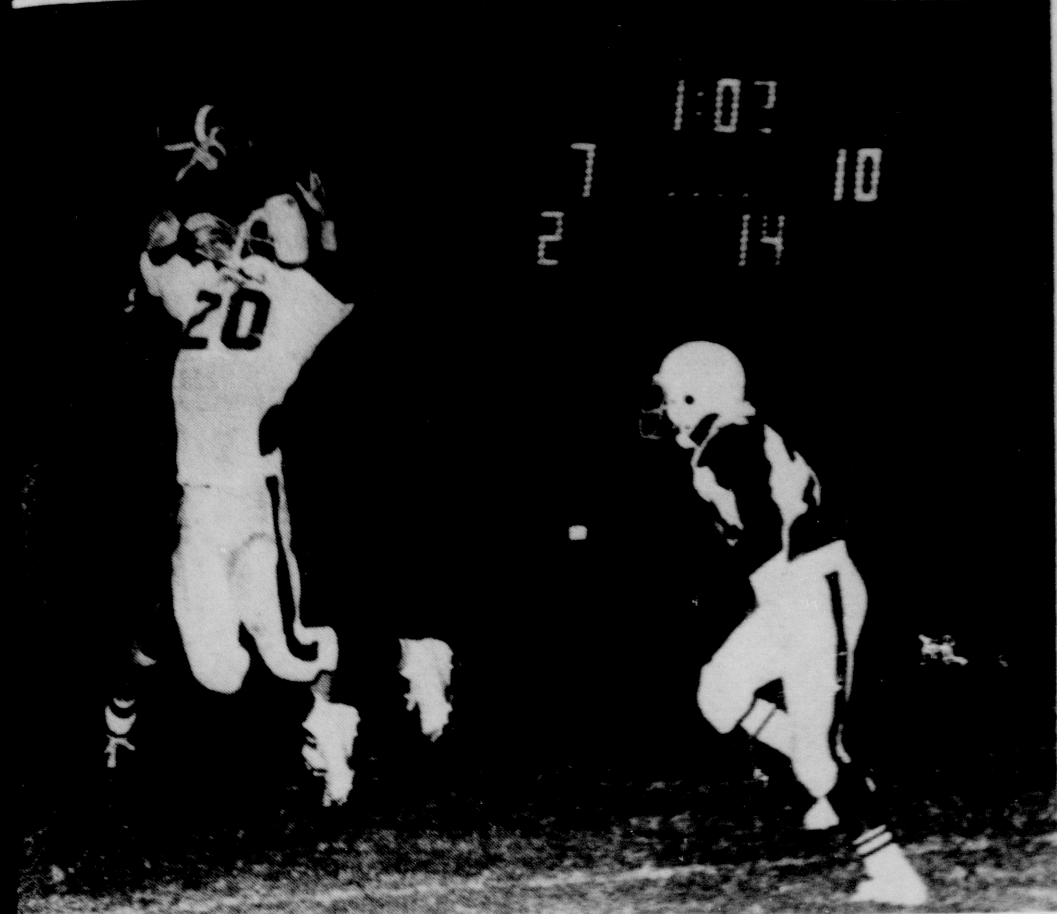

An almost invisible 3/8" gap at the base of a standard 36" outside door is equal to a nine square-inch hole in the side of your house. There are a number of easy-to-install felt and foam rubber products on the market to draft-proof doorways.

## HOLD DISTRICT LEAD— Pipers Score Early to Down Ballinger, 10-7

The Pied Pipers took another big step on their way to another district championship Friday night as they defeated the Ballinger Bearcats, 10-7, on the Bearcats' home field. The Pipers turned it around this week as they scored their 10 points in the first quarter instead of waiting until the final period and then played a tremendous defensive game to hold on to their third district win.

The game was a real defensive battle by both sides as the ball changed hands 11 times on seven fumbles and four pass interceptions with the Pipers holding a six to five edge on gaining possession of the football on the turnovers.

Aided by the turnovers, the Pipers played a good game of field position football as the Bearcats only crossed the mid-field stripe three times during the 48 minutes of play. The Bearcats crossed the 50 once in the first half, moving to the Piper 28 before giving up the ball on downs. They drove for their only score early in the third quarter on a 67-yard drive and then crossed the 50 again late in the game before the tough Piper defense pushed them back 21 yards to their own 37 before running out of downs.

The ball changed hands five times on turnovers in the Ballinger end of the field to set up Tracy Rowland's 30-yard field goal that proved to be the difference in the contest. The Pipers followed this up with a 52-yard touchdown drive with Rowland passing 43 yards to William Brown for the score with one minute left in the first period.

Except for the kickoff following the Ballinger third quarter score, the Pipers played the whole second half on the Bearcat end of the field as they took over on the Bearcat 21, 42, 45, 11, 28 and 37.

Russell May returned the opening kickoff from his 30 to the 39 to get the contest underway. With both teams fired up, it took three plays to get the action started as Ballinger was offside once and Hamlin twice. On third down and 10, Johnny Jones broke loose for 20 yards on a draw play to get a first down at the Ballinger 42. A five-yard Ballinger penalty gave the Pipers another first down at the 29 but four plays later the Pipers lost their first fumble of the evening. But the Bearcats returned the favor two plays later with the Pipers recovering the ball at the Ballinger 32.

But then the Pipers lost their first of two pass interceptions with the Bearcats getting the ball on their own 49. Frederick Snell carried eight yards for the Bearcats but lost the ball at the end of the run and the Pipers took over at the 12.

against the Bearcats gave the Pipers a first down at the seven, but a four-yard loss and a five-yard penalty put the ball back on the 16. The Pipers gained three and then missed on a third down pass try before Rowland kicked his 30-yard field goal.

Following the kickoff the Bearcats gained three yards before taking to the air on a trick play with Jones picking the ball off and returning it 25 yards to the Hamlin 48. Ballinger drew a five-yard penalty, Jones gained four yards and then Rowland passed to Brown for 43 yards and the score. Rowland kicked the point after to give the Pipers their 10-0 lead.

Snell returned the kickoff to the Ballinger 24 and the Bearcats moved to the Hamlin 28 before giving up the ball on downs.

On the running of May and Jones, the Pipers moved the ball to the Bearcat 46 and then a pass interference call against the Bearcats gave the Pipers a first down at the 23. Two plays later the Pipers fumbled with Ballinger taking over on their own 22. Five plays later the Bearcats were forced to punt from their own 45 with Hamlin getting the ball on the Piper 21.

On second down Robert Pharris broke loose for 26 yards for a first down at the Bearcat 49. Rowland carried for five and then passed to Brown for gains of six and 13. Ballinger drew a five-yard penalty to give the Pipers a first down at the 20, but the Pipers lost eight yards in three plays and Rowland tried a 46-yard field goal that rolled dead on the Bearcat two. Ballinger ran one play to end the first half.

Ballinger took the second half kickoff and returned it to the Bearcat 33. Rodriguez carried three times for gains of 8, 6 and 5 before McQueen passed to Parrish for 20 yards and a first down on the Hamlin 28. On second down McQueen pitched back to Parrish who in turned handed the ball back to McQueen who completed a pass to Snell for a 27-yard touchdown. Jimmy Smith kicked the point after.

Following the kickoff the Pipers were just short of a first down and punted to the Ballinger 25. The Bearcats fumbled on first down with the Pipers returning the favor two plays later with the Bearcats ending up with the ball on their own 18. Six plays

later the Bearcats gambled on fourth down at their own 41 and failed with the Pipers taking over at the 42.

Jones and May gained 13 yards for a first down at the 29 before the Piper offense sputtered and Ballinger took over at their own 30. Rodriguez gained 12 yards but fumbled the ball with Hamlin taking possession at the Bearcat 42. Three plays later Ballinger intercepted a Piper pass at the Bearcat 18. The Pipers held and the Bearcats punted again to their own 45.

The Pipers gained six yards before punting to the Bearcat nine. The Bearcats moved out to the 20 for a first down but then the Piper defense pushed them back to the four from where they punted. Willis caught the punt at the Bearcat 34 and returned it to the 11, but the Pipers could gain only four yards in four plays and gave up the football at the six.

Ballinger moved out to the 28 before Paul Reynolds picked off a Bearcat pass at the 28. The Pipers moved to the 22 in four plays with the Bearcats taking over on downs. Two pass plays helped move the Bearcats into Hamlin territory with a first down at the Hamlin 47. Gary Don Mayes dropped McQueen for a nine-yard loss back to the Bearcat 49, and Luke Reynolds broke up a long lateral play with the ball going out of bounds and costing the Bearcats another 12 yards. Facing fourth and 26, the Bearcats took to the air again with Brown knocking the ball down and the Pipers took over with only seconds left on the clock.

The Pipers ran the clock out with Rowland just falling on the ball for two plays and the Pipers marked up their third district win.

## Six Attend National FFA Convention

Six people represented Hamlin and the Hamlin FFA Chapter at the National FFA Convention in Kansas City, Mo., last week. Those attending were chapter members Tracy Gregory, Gary Lain, Guy Turner and Rickey Gruben, Chapter Advisor Milburn Wink, and Mrs. Dick Gruben.

At the convention, Rickey received his American Farmer Degree, the highest degree conferred upon members by the FFA.

The Hamlin FFA Chapter was presented with a gold emblem rating in the National Chapter Contest. The gold emblem rating is the highest rating a chapter can achieve. This year only 98 chapters in the United States earned the gold emblem rating. The award was received by Guy Turner and Chapter Advisor Wink.

There were many highlights to the convention this year and chapter representatives were present at all sessions of the convention. One thing that the members will remember was seeing the President of the United States Gerald Ford and hearing his address to the convention which was televised to the nation.

## Rotary Club Hears District Governor

Dr. W. O. (Bill) Trogon of Stephenville, Governor of the Rotary district of this area, addressed the Rotary Club here Oct. 16 during his official visit. The local club is one of 40 Rotary clubs in District 579.

Speaking of the global growth of Rotary, an international men's service organization, the District Governor, who is President of Tarleton State University, said:

"Rotary is the pioneer of the service clubs and today numbers more than 16,092 clubs with a combined membership of more than 758,800 business and professional men. Spread throughout 151 countries and geographical regions in all parts of the world, Rotary clubs conduct activities to improve their communities, aid youth, elevate business standards, and further international friendships and understanding."

The District Governor also conferred with Edward Gardner, local Rotary Club president, and Joe Simpson, club secretary, on matters of club administration and plans for future activities.

During his visit, the Rotary official was given additional information on some of the local Rotary Club's activities, including: what makes the Hamlin Rotary Club an active force in the community and in the lives of the individual members.

"One of our major objectives for this Rotary year is to get new members and keep them," President Gardner said.

victory throughout the game. The Pipers are out for the district title and are proving it with their victories.

hhs  
The FHA had a meeting last Monday night. The FHA will be planning to have secret grandmothers this year. They will also have a spook house for a Halloween activity.

hhs  
Hamlin student body took advantage of the Monday holiday to rest and enjoy the extended weekend. Friday there will be an open date for the Pipers to rest, but they will be doubly prepared for the Coahoma game.

## Patrice Moore Named FFA Sweetheart

Patrice Moore, daughter of Mrs. Fred B. Moore Jr., has been elected FFA Sweetheart by the Hamlin FFA Chapter. Patrice is a junior in Hamlin High School and active in many school activities.

Patrice is vice president of the Hamlin High School Student Council, Third vice president of the FHA, a cheerleader, and a member of the band. She also served as Freshman Class reporter and favorite.

Patrice will represent the Hamlin FFA Chapter at various activities during the year. She will serve as a hostess to the Double Mountain District FFA Leadership Contests in November. She will be the Hamlin FFA's entry in the Double Mountain District Sweetheart Contest next spring, the Jones County Cotton Queen Contest next August, and the West Texas Fair Sweetheart Contest next September.

## Attend VFW Convention

Mr. and Mrs. Carl Green and Mrs. Cleo Perryman of Hamlin Post No. 6014 attended the Veterans of Foreign Wars District Eight Convention held in Stamford Saturday and Sunday.

Mrs. Hue D. Moore of Roby, president, presided. Approximately 75 attended.

gravy, green beans with mushrooms, candied yams, yum yum salad, Louberta's hot rolls, assorted pies, coffee and tea.

The public is invited.

HELP SUPPORT the youth programs of Hamlin.

## Smartest 'Gator in Captivity

It only looks like 'gator, of course, but when Jarman combines its special alligator print with crinkle patent, you've got a really smart shoe. Come by and slip into a pair.
